

## Lake Travis Softball Booster Club Membership

The Booster Club supports and enriches the softball experience for our athletes by providing funding for travel expenses, equipment and needs not covered by school funding. We strongly encourage all parents/guardians to join at any level!

In addition to booster club memberships, we will raise funds throughout the year by signing up corporate sponsors and holding other various fundraisers as needed. Ultimately, all of this is to better support our players softball experience. We are offering a “less hassle” option this year as a Platinum member, see member benefits below.

**Please Note:** We feel the players should share in the responsibility of raising funds in support of their team, so we are requiring ALL players to participate in two small fundraisers. The two small fundraisers EACH player is required to participate in will be selling 1-2 boxes of *World’s Finest Chocolate and 10 LT logo (Croc style) shoe charms*. The Booster Club will issue items for sale early Oct. details to follow.

**Platinum Members:** “One-Stop Shopping” includes most LTHS Fundraising activities (except for the player participation team fundraisers), and sponsorships. Additionally, Platinum members will receive four tickets to the End-Of-The-Year Banquet, you will not be required to provide goodies for snack bags, hospitality rooms, or end of season banquet.

**NOTE: Per UIL-** Away-Game Meals, Teacher Appreciation Shirts / Gifts, Playoff Shirts, and Big Sis / Little Sis gifts are not covered in this membership. We do NOT allow refunds on any donations.

Levels of Membership & Thank You Packages	Member \$100	RBI Silver Member \$300	RBI Gold Member \$500	RBI Platinum Member \$1000
